For more than fifty years  
has PERRY DAVIS' PAIN  
KILLER stood the test  
against all remedies prepared  
to eradicate pain, and today  
stands at the head of the list  
among the medicines that are  
so essential to keep at hand in  
the home.

It is not a new fangle remedy  
nor do the proprietors lay  
claim to any wonderful revela-  
tion of the ingredients that en-  
ter into the manufacture of  
this ever popular remedy.

It is perfectly harmless, you  
need have no fear of becoming  
habitually inclined to its use.  
For Colic, Cramps, Dysen-  
tery, Colds, and all painful  
affections, a few doses will cer-  
tainly give relief. You cannot  
afford to be without a bottle in  
the house.

Your forefathers used it  
and found it beneficial.

Why experiment with some  
remedy that is new and its effect  
on the system unknown?

It has many rivals but no  
equal.

The new 35c. size con-  
tains over double the quantity  
of the 25c. size.

**SUGAR BOUNTIES.**

League Formed in England to Fight  
the Present Continental System.

London, December 25.—An  
anti-sugar bounty league was  
formed on Wednesday under the  
Presidency of Lord Stanmore.  
Prominent firms in England  
connected with sugar refin-  
ing and the chief propi-  
etary and mercantile inter-  
ests connected with the colonies  
have joined the league. One  
speaker emphatically stated that  
unless something was done speed-  
ily the West Indies would raise  
the Stars and Stripes.

Berlin, Dec. 25.—Negotiations  
are proceeding in Berlin between  
Germany and Austria, with a view  
to holding an international con-  
ference at Brussels on the subject  
of the abolition of the sugar ex-  
port bounties.

**Company 7, Citizens' Guard.**

Ed. Hingley was re-elected  
Captain of Company 7, Citizens'  
Guard. George Lucas accepts a  
commission as first lieutenant and  
Charles Parly becomes second in  
rank. The attendance upon the  
election was quite light. Inspec-  
tor Batchelor was present and  
looked over the arms of the men.

**The Crack Marksmen.**

The Sharpshooters' match for a  
dinner will begin at 1 o'clock  
sharp tomorrow afternoon. Shoot-  
ing will be in the order of arrival.  
A representative of each team will  
be present all the time. It is said  
that every man in the Sharpshoot-  
ers' Company is positive that the  
"other team" will have to pay for  
the dinner.

**Butler's Spoons.**

General Robertson tells a story of the  
late General Benjamin F. Butler which  
is new to me, and as the old hero him-  
self told it to General Robertson it may  
be new to you as well. It happened one  
time when General Butler was in Port-  
land. A great reception had been ar-  
ranged in his honor, and the largest  
hall in town was engaged to hold it in.  
The place was lavishly decorated, and  
one white muslin banner especially at-  
tracted the general's attention. On it  
was painted in large black letters:

"General Benjamin F. Butler, the  
hero of Five Forks."

And beneath the big letters somebody  
had written:

"And goodness only knows how  
many spoons."—Washington Post.

**His Bluff.**

Father—Have you got a terribly slow  
horse?  
Stable Keeper—Well, yes.

Father—Is he a regular snail?

Stable Keeper—Aye, aye.

Father—Have him round to my door  
at 10 o'clock tonight. One of my daugh-  
ters is going to elope, and I've got to  
make a show of ketchin' her.—London  
Fun.

**Selfish.**

"Why do prosperous men always say  
that the ladder of success is made up  
of broken rounds?"

"Well, they do it so that other fel-  
lows won't try to crawl up after them."  
—Detroit Free Press.

**Rubber Tires.**

The rubber tire which W. W.  
Wright is agent for, during the  
absence of C. J. Walsh, is the  
only tire recommended by people  
who have used them. It has two  
steel wires running through the  
rubber welded by electricity, and  
needs no patent fastening. Call  
in and see them at the Oahu Car-  
riage Repository in rear of 613  
Fort street.
